Bicycles are a popular mode of transportation around campus. Over 8,500 parking spots are located in bicycle racks provided in hundreds of locations near campus buildings. For maps and other info, visit https://ltp.umich.edu/transportation-alternatives/bicycles/bicycle-parking/.

Departments are responsible for maintaining bicycle racks near their buildings. Custodial and Grounds Services is funded to clean debris from bicycle racks in General Fund areas. To report problems with bicycle racks, call the Facilities Service Center at 647-2059 or submit a request at requests.fo.umich.edu.
