Chalkboards in general fund classrooms are the responsibility of Facilities & Operations to maintain and repair. Custodial Services cleans chalkboards on a regular basis, and also provides chalk and erasers for classrooms. To obtain these items or to report problems in classroom areas, call the Facilities Service Center at 734-647-2059 or visit requests.fo.umich.edu.

Facilities & Operations can fabricate and install chalkboards in other areas at customer expense. Contact the Facilities Service Center to arrange this service.
