Door Openers, Disability Access

D · https://fo.umich.edu/fosg/door-openers-disability-access/

The Maintenance Services Key Office installs door openers for disability access at customer expense. In general fund buildings, Facilities & Operations assumes responsibility for the ongoing maintenance and repair of these devices. To request service, call the Facilities Service Center at 734-647-2059 or visit requests.fo.umich.edu.
