Flowers and Plants

F · https://fo.umich.edu/fosg/flowers-and-plants/

F&O Custodial and Grounds Services plants and maintains outdoor plantings in general fund areas. For non-general fund areas, departments wishing to have plants or flowers planted outdoors should contact Grounds Services at 763-5539.

Facilities & Operations does not provide or service indoor plants. The university has contracted with an outside vendor for this service. You can obtain a list of contractors approved to maintain indoor plants from Procurement Services at 647-0304 or https://procurement.umich.edu.
