Freezers, Moveable

F · https://fo.umich.edu/fosg/freezers-moveable/

Departments provide and maintain moveable freezers, such as chest, vertical freezers (not built-in), -80 or ultra-low freezers. Maintenance Services maintains and repairs freezers at customer expense. The work can be performed on an as requested basis or Facilities & Operations can schedule this activity in the Preventive Maintenance program and provide regular cleanings and inspection of the freezer components.

To request service, call the Facilities Service Center at 734-647-2059 or visit requests.fo.umich.edu.

Facilities & Operations does not pay for loss of contents due to power failure; contact Risk Management at 764-2200.
