Ice Machines

I · https://fo.umich.edu/fosg/ice-machines/

Ice machines are considered departmental equipment. Facilities & Operations can support the installation, maintenance and repair of these devices at customer expense. To request service, call the Facilities Service Center at 734-647-2059 or visit requests.fo.umich.edu.

Note: To ensure the safety of the domestic water system, departments may not attach equipment or instruments to domestic water systems. Contact Facilities & Operations for safe, code-compliant installation of your department equipment.
