Maintenance Services maintains lighting in general fund buildings. They burned out lamps, broken switches and burned out ballasts. They are also responsible for replacing lenses on light fixtures when damaged or missing and replacing special "red" light bulbs in photographic dark rooms.

Custodial Services is responsible for cleaning light fixtures.

Facilities & Operations will maintain and repair desk lamps, table lamps, lamps in display cases, and under-cabinets lights at customer expense.

To request service, call the Facilities Service Center at 734-647-2059 or visit requests.fo.umich.edu.
