There is no central lost and found collection site on campus. Some buildings may have a collection site for found items and it is best to check with someone in the building first. If items cannot be readily located, persons are encouraged to contact the University of Michigan Police Department (UMPD) at 763-1131.

Found keys should be turned over to the Facilities & Operations Key Office at 525 Church Street, Room 1103. Keys found outside of normal Key Office Hours (7:30a.m. to 3:45 p.m.) may be turned over to UMPD. The Key Office will attempt to determine ownership of the keys. Person who have lost keys are encouraged to contact the Key Office at 764-3481.
