Trees and Shrubs

T · https://fo.umich.edu/fosg/trees-and-shrubs/

Grounds Services is responsible for trees and shrubs in general fund-supported areas. Trees and shrubs in other areas of campus are maintained at customer expense.

Grounds has an extensive, well-planned maintenance program for all areas of campus. Grounds foresters maintain an inventory of all trees on campus. For more information, call Grounds Services at 763-5539 or visit https://cgs.fo.umich.edu/grounds-services/.

The University of Michigan has developed a campus Tree Preservation Policy to guide architects and contractors when working in and around campus trees. The policy is available at https://umaec.umich.edu/campus-guidelines/.

To request service, call the Facilities Service Center at 734-647-2059 or visit requests.fo.umich.edu.
