

## Operational Support On-Site Availability

Operational Support began hybrid work with a combination of on-site and remote work on October 4, 2021. Each group has staff available to meet with F&O partners in person during the following times. Remote staff are readily available via phone and email. This is a pilot phase and adjustments may be made as needed, so we welcome your feedback.

<b>Group</b>	<b>On-Site Availability</b>	<b>Campus Safety Services Bldg Room #</b>	<b>Contact Info</b>
